MUR 7221

**SECOND CONSENT TO EXTEND TIME  
TO INSTITUTE A CIVIL LAW ENFORCEMENT SUIT**

For the purpose of gathering sufficient facts to engage in pre-probable cause conciliation as requested by Respondent Christopher Stecher, Respondent hereby consents, subject to the conditions in the following paragraph, to toll the statute of limitations for any civil enforcement action under 52 U.S.C. § 30109(a)(6) for an additional period of 90 days. Respondent therefore agrees, subject to the conditions below, that the time for the Commission to institute a civil enforcement action in connection with MUR 7221 is hereby extended by an additional period of 90 days from the expiration date of the five-year statute of limitations found at 28 U.S.C. § 2462, or any other statutes of limitations or repose that may be applicable. This Consent supplements the Consent previously agreed to by Respondent on March 30, 2017.

This Second Consent to Extend Time shall be rescinded and of no effect—and the statute of limitations shall run in accordance with the Consent agreed to on March 30, 2017—should the Commission decline to engage in pre-probable cause conciliation as to Respondent Christopher Stecher. Further, this Second Consent shall be limited to the alleged violations identified in the Commission's Factual and Legal Analysis, issued on March 20, 2017, finding that there was reason to believe that Christopher Stecher violated 52 U.S.C. § 30122. There shall be no additional consent to extend the time to institute a civil law enforcement suit without the written consent of the Respondent.
